Rules and Regulations for Exhibitors

Entrants of the Society intending to compete in the various sections of the Show are strongly recommended to read the following Rules and Regulations. Any omission in, and the interpretation of, these Rules and Regulations shall be decided upon by a quorum of the Committee.

All persons wishing to enter exhibits into the show must be resident in the western parishes of St Saviour, Torteval or St Pierre Du Bois, and be in possession of a current entry ticket. (Please refer to the rules available on our website for further information).

Entry Forms

All entries shall be made on the entry form provided in this schedule or available on the website and shall be handed in on the dates and times specified in this schedule. Cards will be given to each exhibitor in respect of tent classes. Exhibitors are requested to ensure that the cards are completed and placed with the entry in the correct class. No responsibility will be accepted for any error in placing cards incorrectly.

Ownership

All exhibits must be the bona-fide property of the exhibitor, unless otherwise stated in the schedule.

Cattle, goats, sheep, pigs and fur and feather exhibits must have been in the possession of the exhibitor for at least 30 days prior to the Show.

Pot plants must have been in the possession of the exhibitor for at least 60 days prior to the Show.

All cut flowers, fruit, vegetables, roots, bulbs, etc., must have been grown by the exhibitor.

The Committee reserves the right to inspect any exhibit entered in the Show, at any time between the date of entry and the date of the Show. Any exhibitor refusing to comply with the conditions of this rule will not be permitted to exhibit and shall forfeit their entry fee.

Staging of Exhibits

All cattle, goats, sheep and pigs shall be on the showground by 9.30am on the Wednesday of the show and shall remain there until 3.00pm the same day.

Fur and feather exhibits shall be penned either between 7.30pm and 9.30pm on the day prior to the Show, or by 9.30am on the Wednesday. The Animal Tent will close promptly at 9.30am for judging to commence at 10am. Late entries will not be permitted access to the Animal Tent.

Owners of any fur and feather exhibits will be permitted to remove their exhibits after 8.00pm on the Wednesday of the show if they do not wish to leave them overnight. They are obligated to return their exhibit on the Thursday. Their exhibit must be penned before 9.30am on the Thursday, and they will forfeit any prizes won if their fur and feather exhibit has not been returned by this deadline.

All tent exhibits may be staged after 4.00pm on the afternoon of the day prior to the Show and between 8.00am and 10.00am on the Wednesday. Junior exhibitors must arrange their exhibits at the Show, strictly without assistance.

All exhibits (other than cattle, goats, sheep, pigs and cage birds) shall remain in the tents until 8.00pm on the Thursday and may only be removed after 8.00pm. Any exhibit remaining after

8.45pm may be removed and sold at the auction and the Committee will accept no responsibility for any item that is not collected by this time.

Judging

No exhibitor shall be allowed to remain in either the Exhibit Tent or Animal Tent whilst the judges are officially engaged, unless an exhibitor has been officially elected as a judge or steward by request of the Committee. The public will be allowed to view the judging of cattle and goats taking part in the enclosed areas outside the Animal Tent.

Should any person elected as a judge or steward enter in the same classes as those for which they have been selected, they will be replaced by another for such classes.

A member of the Committee, or such other person appointed by the Committee as steward, shall accompany the judges and shall afford such aid as required, but shall not influence them or express an opinion as to the relative merits of the exhibits.

Any judge, steward, or member of the Committee discovered or reported to be influencing the decision of a judge(s) may be reprimanded at the discretion of the Committee which may include but not be limited to; forfeiture of prizes, removal from the judging process or prohibiting the individual from exhibiting or judging in the future.

The judges have the power to withhold or modify any prize or prizes where they deem the exhibits to be of insufficient merit. In the event of insufficient entries, the Committee reserves the right to amalgamate such classes as it deems appropriate.

In cattle, goat, sheep, pig and fur and feather classes, only first prize winners may compete in the first instance for cups or special prizes. Before awarding the reserve, the second prize winner shall be brought back into the competition.

Custody of and Liability for Exhibits

During the Show, the whole of the exhibits will be in the custody of the Committee and must not be handled or touched by any unauthorised person under any circumstances. The greatest possible care will be taken of all exhibits, but the Committee will not be held responsible for mistake, loss, damage, accident or death or any other event which may occur to any exhibit in transit to or from, or during the time it is present at the Show.

The Committee reserves the right to order that a cow be milked if it deems it to be necessary.

Trophies and Prizes

The Society reserves the right to substitute a prize in kind in place of cash, provided that the value of the prize shall not be less than the cash prize which it replaces.

Holders of cups and trophies shall be held responsible for their condition whilst in their possession and shall return them to the Society between 31st July and the Wednesday of the Show, or at such other time as will be notified.

Any trophies not returned to the Society as above will be declared lost; therefore, the holder will be invoiced by the Society for the cost to purchase a replacement of similar design and material, together with engraving costs.

Membership Application Form

At the 2026 AGM we made some necessary changes to our Rules, this included how someone can become a Member of the West United Agricultural & Horticultural Society (WUA&HS).

It is important that we properly record who our Members are. In the past, our Committee Members sold membership tickets through individual ‘rounds’ where they would go door to door selling them. This meant we had a very accurate log of exactly who was a Member. Things have moved on since then, and whilst some of our Committee will still sell tickets directly to people in their local area, we have a team of outlets selling our tickets for us. This has meant we need to find a better way to record this information.

This form, as well as the one available on our website – www.thewestshow.com will allow you to opt to become a Member of the Society. Being a Member means you can attend our AGM, be nominated to join the Committee, and be able to vote if we ever need to dissolve the Society.

The 2026/2027 membership will run from 1 July 2026 to 30 June 2027.

Name:	
Telephone Number:	
Email address:	
Ticket Number:	

I confirm that I live in St Pierre du Bois, St Saviour, or Torteval and am aged 18 years or over and understand I need to be able to produce proof of the details provided on this form upon request.

By signing this form, I understand that the personal details I have provided will be retained securely in line with the WUA&HS’s privacy policy and will be used to conduct the administrative tasks required in line with the Rules of the Society. This will be retained after my membership ceases for a period of up to 6 years to ensure the WUA&HS complies with relevant legislation.

☐ I wish to be kept up to date with any electronic communications provided by the Society (please tick).

Signed: Date:

Please return this signed form to us at our Entry Night (dates at the back of the Schedule), to the Committee Tent on the Show Days, or by post to our registered address below before 30 June 2027.
